Transfers between Blackpool Schools and Academies

If you have a child who is already on roll in Blackpool then you must obtain a transfer form from your child's current school or academy. For secondary transfers forms are available from each secondary academy. For primary transfers forms are available from each school or from the admission team (see email address below).

Please complete the form, have it signed by the school or academy, and then returned to Blackpool's School Admissions Team at:

Local Agreements about In Year Admissions

Blackpool secondary schools and academies participate within local arrangements to coordinate In Year Admissions. Please also note the following local agreements:

- For transfer requests, we offer first day of next term starts for children who already have school and academy places within the area. (Unless own admission authorities agree earlier start dates and / or there are exceptional reasons for an earlier transfer).
- For secondary aged children previously withdrawn to EHE we will offer places at their previous academy if a request is received within 2 terms of deregistration.
